The Montgomery County Department of Transportation (MCDOT) is studying options for a Bus Rapid Transit (BRT) service along MD 355. MCDOT invites you to a public Open House* to **learn more about BRT** and the project, including where and how the system could operate, **potential station locations, and service options**. We look forward to answering questions and collecting your valuable input. Please spread the word about these important meetings to friends and neighbors.

This is a **family-friendly** event with activities for children!

Find out why BRT is:

Error! Filename not specified. Rapid: Features like limited stops, off-board fare collection, priority signaling, and level-boarding through all doors make for a faster ride.

Error! Filename not specified. Reliable: You'll never wait long for the next BRT and will see real-time travel information at the station.

Error! Filename not specified. Relaxing: Avoid the stress associated with driving: use Wi-Fi to be more productive, read a book, or simply use the time to rest.

Error! Filename not specified.

**Note: The open houses are self-paced and attendees can come and go as they please. The three meetings will be identical so attendance at only one is recommended. Sign language interpreters and other assistive services will be provided upon request. Contact Darcy Buckley at (240) 777-7166 or send a request to tdarcy.buckley@montgomerycountymd.gov.*
